

Login Guide

Healthcare Professionals (HCPs) Portal and Login Process

- a. Login portal: <https://hcp.rxreport.ca>
- b. Use your login ID (typically your professional email address) and the password provided by Personalized Prescribing Inc. (PPI) to access the portal.
- c. Please note that the password you received is a one-time password (OTP). You will be required to change it immediately upon your first login.
- d. You will receive a prompt to reset your password — please follow the instructions to create your personalized password.
